-------------------------	--------------------------------

2	<u>Standard Condition # 11:</u> The defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer.

Mr. Wren violated his conditions of supervised release in Spokane, Washington, by failing to notify the undersigned officer within 72 hours of being questioned by law enforcement. On May 25, 2017, according to a Spokane police report, case number 2017-20097462, there had been an altercation between a female, Mr. Wren's estranged girlfriend, and Mr. Wren. The female had contacted Spokane police to report an assault. During the course of the investigation, an officer contacted Mr. Wren and his estranged girlfriend, at a prior address where Mr. Wren had resided. This is the residence of his estranged girlfriend. After the officer interviewed Mr. Wren and his estranged girlfriend, it was determined there was no probable cause at that time to arrest either party involved in the alleged assault. At the time

of this report, Mr. Wren has failed to notify the undersigned officer of his contact with law enforcement. In addition, the undersigned directed Mr. Wren to report on June 5, 2017, to discuss the incident, however, he failed to report.

- 3 **Special Condition # 14:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Wren's conditions were reviewed with him on November 21, 2016. He signed his judgment acknowledging an understanding of his conditions which includes special condition number, 14, as noted above.

Mr. Wren violated his conditions of supervision in Spokane, Washington, by failing to report to Alcohol Drug Education Prevention and Treatment (ADEPT) for a random urinalysis test on June 1, 2017.

Per his above-referenced condition of supervised release, he was referred to random urinalysis testing at ADEPT. Mr. Wren is assigned the color brown 2 and directed to call ADEPT's urinalysis hotline daily. In the event ADEPT reported the color of the day was brown 2, he was directed to report to their office and submit to a random urinalysis test.

On Thursday, June 1, 2017, the color of the day was brown 2. On June 2, 2017, the undersigned officer received the urinalysis roster from ADEPT from June 1, 2017, and Mr. Wren was marked as a no-show for his random urinalysis.

- 4 **Standard Condition # 3:** The defendant shall answer truthfully all inquiries by the probation officer and follow the instructions of the probation officer.

Supporting Evidence: Mr. Wren's conditions of supervision were reviewed with him on November 21, 2016. He signed his judgment acknowledging an understanding of his conditions which include standard condition number 3, as noted above.

As reported in violation number 3 of this petition, Mr. Wren failed to appear for a random urinalysis test on June 1, 2017. On June 5, 2017, the undersigned officer contacted Mr. Wren by telephone at approximately 11:15 a.m. and directed him to report to the probation office immediately to discuss recent noncompliance with his conditions of supervision. When Mr. Wren failed to report as directed, the undersigned officer attempted to contact Mr. Wren again on his cell phone at approximately 4:50 p.m. Mr. Wren did not answer his phone and a voice mail was left advising him he failed to report to the undersigned officer as directed. Another directive was given, advising him that he needed to report to the probation office on June 6, 2017. Mr. Wren again failed to report to the undersigned officer and he has not responded to this officer's voice mail left for him the day prior. It appears Mr. Wren is failing to make himself available for supervision.
